

21 MARCH

# HARMONY DAY

Social enterprises are an important contributor to the Greater Dandenong economy. The sector helps increase community capability by providing opportunities for new skills to be developed, as well as linking employment opportunities.

The City of Greater Dandenong is supporting the development of social enterprises through a pilot mentoring program, partly funded by the Australian Government through the *Diversity and Social Cohesion Program*.

Social Enterprises assist in engaging newly arrived settlers and refugees with their community and increase awareness and understanding of their culture.

For more information about and how you can participate, contact

# 21 MARCH HARMONY DAY

## Dandenong Neighbourhood House – Men's Shed

*The Dandenong Neighbourhood House is committed to strengthening the foundation of the diverse community by providing members with skill development, personal empowerment and growth.*

Participants are involved in many hands on activities and programs which create a sense of belonging and engagement with the community.

"New partnerships have been created that have mutually benefited both parties and increased attendances at the David Street Men's Shed." – Jeff Dadds, Men's Shed Coordinator.

**Dandenong Neighbourhood House:** 34 Kings Street, Dandenong, visit [www.dandenongnh.org.au](http://www.dandenongnh.org.au) or call 9792 5298.
